Remarks by President Pelosi

President Pelosi thanked the Clerk of the Board and his staff, the Mayor, all Department heads, the Press, and the people of San Francisco for the help given him during the past two years. He also thanked his colleagues for their hard work for the people of San Francisco and congratulated them on their productive energies and activities.

Nomination for Office of President of the Board of Supervisors

President Pelosi announced he would entertain nominations of

candidates for the office of President of the Board for the next ensuing two-year term ending January 8, 1976.

Supervisor Francois, seconded by Supervisors von Beroldingen and Mendelsohn, moved that the name of Supervisor Dianne Feinstein be placed in nomination for the office of President of the Board.

The President inquired if there were any more nominations.

Supervisor Molinari, seconded by Supervisor Francois, moved that the nominations be closed.

No objection and motion carried.

Thereupon the roll was called and motion to elect Supervisor Dianne Feinstein as President for the next ensuing two-year term was adopted by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—11.

Statement of President-Elect Dianne Feinstein

The outgoing President, Ronald Pelosi, requested that Supervisors Francois, von Beroldingen and Mendelsohn escort the newly elected President to the rostrum.

President Feinstein, upon assuming the Chair, presented Supervisor Pelosi with an inscribed plaque as a tribute to his conduct in the office of President and as an indication of the esteem in which he is held by his colleagues.

President Feinstein then thanked her colleagues for the honor accorded her. She briefly outlined some of the problems facing the City, including revenue deficits, problems of the elderly, the schools and safety on the streets, and stated that now is the time to do something about them.

President Feinstein welcomed his Honor, the Mayor, and expressed the hope that he will feel free to come to Board meetings to express his point of view so that through cooperation both branches of government can become an effective team for the people of San Francisco.

Presentation of Mayor Joseph L. Alioto

The President introduced Mayor Joseph L. Alioto.

Mayor Alioto congratulated President Feinstein, the re-elected members of the Board, and newly-elected Supervisor Nelder. He said he was proud of the good relationship existing between his office and the Board, and that that good will would be maintained.

Mayor Alioto stated that this year economy in government would have to be practiced as never before, and that economic development must be encouraged as a means of keeping the prop-

erty tax rate down. He stated that it was essential that two major projects, development of the Northern Waterfront and construction of Yerba Buena Center, go ahead this year. He pointed out that another major goal would be increased mass transit facilities, including plans for extension of BART service. The Mayor stated that with full cooperation these objectives could be attained.

Introduction of Supervisors and Members of their Families

The President introduced the members of her family present in the audience today. She then called upon each member of the Board for the introduction of members of his family for remarks.

The Chair explained that two committees, Cultural Activities and Social Services, had been phased out and replaced by the Urban and Consumer Affairs and Community Services Committees. She pointed out that the Finance Committee was reduced from a five-member committee to a three-member committee, and

that the Planning and Development Committee would be known as the Planning, Housing and Development Committee. President Feinstein stated that these changes would be referred to the Rules Committee with the request for approval of the necessary amendments to the Board's Rules of Order.

Select Committee

President Feinstein announced the formation of a Budget and Governmental Efficiency Committee and read the following statement:

"Fiscal 1973-74 will be an austere budget period for San Francisco. We face a marked decline (approximately $40 million) in available revenues for budget purposes. In order to meet this challenge and to better evaluate and determine budget priorities while eliminating waste whenever possible, I will be availing myself of the authority vested in the President under our Board's rules to establish a Budget and Governmental Efficiency Committee of the Board.

"This committee will function as a select committee, separate and apart from the Board's eleven standing committees but generally following normal rules of committee procedure. It will consider budget legislation and will devote its major efforts to reviewing and recommending adjustments in budget implementation, as well as composition of the initial budget. It will examine each Department's entire program, including personnel (both permanent and temporary), equipment, materials and supplies, contractual services, maintenance and repair, replacement and reconstruction, and capital improvements. In addition to the Finance Committee, it will direct and review the activities of the Budget Analyst for the purpose of more effectively utilizing the Board's power of inquiry and thus encouraging priority changes and economies at the departmental level.

"The Committee will consist of the three members of the Finance Committee, the President of the Board and one additional Board member. The President will appoint the Chairman and Vice-Chairman.

"In summary, the Budget and Governmental Efficiency Committee will have within its purview the annual budget of the City and County of San Francisco as an instrument for controlling expenditure of funds, including ongoing review, management audits, and general budget procedures as well as the composition of the budget itself. The special Committee will aid the Board in achieving a firmer grasp on governmental efficiency, improved budget priorities, and economies at a critical time when San Francisco faces massive federal cut-backs in revenue sharing and other monies yet *must* and should remain within the tax ceiling established by Senate Bill 90."

File 386-73, Ordinance No.

(Amends Section 201.2)

Supervisor Feinstein stated that since she was the Chairman of the Committee at the time the recommendation was made, she would like to deliver the Committee report, and asked Supervisor Francois to assume the Chair.

Thereupon Supervisor Francois assumed the Chair and Supervisor Feinstein made the presentation.

Thereafter, at the request of Supervisor Feinstein the Clerk read a communication from the Honorable Ashraf Ghorbal, Ambassador of the Arab Republic of Egypt, dated January 17, 1974, addressed to the President, San Francisco Board of Supervisors, advising that the Egyptian government will find itself in need of the use of its property at 3001 Pacific Avenue, currently occupied by the Delancey Street Foundation, and will consequently give the required notice to the Foundation to vacate said building.

The communication also stated that the Egyptian government, as owners and members of the residential community on Pacific Avenue wish it to be a matter of record that it will not agree to the application by the Delancey Street Foundation to grant conditiona use permits for "places of aid" for the rehabilitation of adult persons in residential zoned neighborhoods.

Supervisor Feinstein then moved, seconded by Supervisor von Beroldingen, that the proposed ordinance be tabled.

The Chair then ruled that debate was permissible.

Resolution expressing continued opposition to district election of representatives on the Board of Directors of the Bay Area Rapid Transit District.

File 546-73, Resolution No. 60-74.

Supervisor Tamaras, seconded by Supervisor Francois, moved adoption.

The Clerk presented two communications, one from the Board of Supervisors of Contra Costa County transmitting copy of its Resolution confirming its opposition to the change in representation on the BARTD Board of Directors, and one from the Bay Area Rapid Transit District requesting that action be taken on the matter as soon as possible since a resolution must be adopted on or before January 31, 1974, in order that an election may be held in June on the proposition whether the BART Board should be elected.

Statements

Supervisor Gonzales stated for the record that he would vote "aye" on the resolution, not because he is taking a position on the method of selection of the Board of Directors, but in order to put the question before the voters.

Supervisor Feinstein requested that the Journal reflect the fact that the proposed resolution is simply in conformance with State law and does not express either opposition to or endorsement of the district election of members of the BARTD Board of Directors.

Supervisor Molinari indicated that he would vote against the resolution because of its wording, although he favors allowing the electorate to vote on the question.

Motion amending Rule 52, Finance Committee, to add at the beginning of the first sentence "Except for budgeting matters falling within the jurisdiction of any special, select Board committee"; to delete after "taxes", "and budgets"; and to change "Tax Collector" to "Tax Administrator".

Supervisor Kopp questioned the authority of the President to form a select Board committee and stated that the duties assigned to the special committee are in conflict with the duties of the Finance Committee. He then moved, seconded by Supervisor Barbagelata, that the proposed amendment be continued for one week in order to amend the Board's Rules to form a select committee.

Upon inquiry by President Feinstein, the Clerk stated that under the Board's Rules of Order, Rule 14 (a), the President could authorize a special committee.

Supervisor Kopp pointed out that the Administrative Code sets forth certain rules concerning the Finance Committee, and suggested that an amendment to the Administrative Code would be necessary to change the scope of its functions.

After further remarks by Supervisor Kopp, Supervisor Francois pointed out that his time for speaking had elapsed. Supervisor Molinari, seconded by Supervisor Barbagelata, then moved to grant an extension of three minutes for Supervisor Kopp to speak.

Motion to ertend time adopted by the following vote:

Decision Upheld

Appeal from Decision of the Chair

Supervisor Kopp appealed from the decision of the Chair, stating that no member should be cut off during debate. Appeal seconded by Supervisor Barbagelata.

File 93-74-2, Resolution No.

The Clerk read a memorandum he had written to the President of the Board, dated February 25, 1974, advising that the City Planning Commission had submitted to the Board this date the certificate of completion and final Environmental Impact Report on the subject project, and that applicable law requires that the Board adopt a resolution certifying the Environmental Impact Report, thus signifying that the Board has taken it into consideration, before deciding on the appeal.

Supervisor Kopp, seconded by Supervisor von Beroldingen, then moved that consideration of the appeal be postponed to March 25, 1974 and that the Environmental Impact Report be referred to committee with the direction that it be returned to the Board on March 25, 1974.

Noes: Supervisors Barbagelata, Kopp, Molinari—3.

Absent: Supervisors Gonzales, Mendelsohn, Pelosi—3.

The Clerk announced that the motion was adopted.

The Chair then ruled that the motion failed adoption.

When Supervisor Molinari asked for an explanation of the outcome of the vote, President Feinstein inquired of Deputy City Attorney James Stark how many votes were required to adopt the motion. Mr. Stark stated that the vote of a majority of the members present would be sufficient to pass the motion.

Thereafter the Chair ruled that the motion had been adopted.

Privilege of the Floor

Refused

Supervisor von Beroldingen noted the presence of Mr. Stephan Leonoudakis, President of the Golden Gate Bridge, Highway and Transportation District, and moved that he be granted the privilege of the floor for his comments. Supervisor Tamaras seconded.

Taken Up Out of Order

Passed for Second Reading

Salary Standardization Ordinance, Charter Sections 8.400 and 8.401, for miscellaneous employees, effective July 1, 1974.

File 106-74-1, Ordinance No.

Supervisor Molinari presented the report of the Legislative and Personnel Committee, recommending amendments to: (1) eliminate in the Administrative Provisions, Section VI (Holiday and Holiday Pay), a floating holiday; (2) increase to 2%, increase for those employees for whom the Civil Service Commission recommended no increase; (3) fix at 3% those increases recommended by the Commission at 2½% (4) grant a 5% increase, as recommended by the Commission, to the remainder of the employees, except for approximately 100 slightly higher increases due to internal adjustments. (See file for text.)

Supervisor Molinari, seconded by Supervisor Tamaras, moved adoption of recommendations of the Legislative and Personnel Committee.

Statement

The Clerk then read a statement submitted by Supervisor Francois as follows:

"Although an official commitment outside the State makes it impossible for me to attend the Board meeting today and express personally my individual views on salary standardization, I ask that these written comments be made part of the Board's record so that my position will be unmistakably clear.

"Attempts have been made in the past, and may be made again today, to persuade the Board members that a substantial number

of miscellaneous employees be granted no raise at all, on the grounds that the compensation of those particular employees is currently in excess of that for comparable positions elsewhere. I must reject that argument because it fails to acknowledge the irrefutable existence of cost-of-living increases which, if not allowed in some degree, will in effect result in the employees' getting a pay cut since the same number of dollars today will buy less than they bought a year ago.

"Those same proponents of "no raise" may argue that additional fringe benefits such as a City-subsidized dental service plan would compensate for the lack of additional dollars in the pay check. I do not believe that additional fringe benefits should be approved as a substitute for an adequate wage plan. When they are considered, their status should be as adjuncts to, not substitutes for, fair wages.

"Coincidentally, should such dental benefits be proposed, we are informed by the Health System that a first class plan with the California dental service would command a median composite cost of $15 per person or family; there are 23,000 affected employees; the annual cost would approximate $4,140,000. To place more dollars in the employees' pay checks pursuant to the recommendations of the Legislative and Personnel Committee, over and above the recommendations of the Civil Service Commission, will cost $902,098.

"Importantly, no employee will be omitted from the plan for upward revision of salaries in the Committee's formula.

"The rationale employed in fixing the percentage raise for employees below the 5% increase level was to this effect: Cost-of-living advances, less allowance for over-scale portions of current salaries, justifies a 2% wage increase for those recommended by the Commission for no increase. Maintenance of a reasonable gap between those recommended for a 2% increase and those originally recommended for a 2½% increase, requires that the latter be granted an additional ½%, to 3%. Those already recommended for 5% require no further revision to remain in an acceptable relationship.

"The additional comments conceiving rationale and other matters made in the Committee's joint report as set forth in Supervisor Molinari's statement, are subscribed to by me. Supervisor Molinari, Supervisor Tamaras and I have spent many long hours in compiling our unanimous recommendation. It is equitable for all concerned. I urge the Board to approve it without change."

Supervisor Barbagelata then presented his recommendations to grant classifications falling below benchmark, increases to bring them even with benchmark up to a maximum raise of 10%. (See file for text.)

Supervisor Barbagelata, seconded by Supervisor Kopp, moved adoption of his recommendations.

After discussion, the roll was called, and Supervisor Barbagelata's motion was refused adoption by the following vote:

Ayes: Supervisors Barbagelata, Kopp—2.

Noes: Supervisors Feinstein, Gonzales, Mendelsohn, Molinari, Nelder, Tamaras, von Beroldingen—7.

Absent: Supervisors Francois, Pelosi—2.

Supervisor Mendelsohn made the following motion:

I hereby move that the amendments to the Salary Standardization Ordinance as proposed today by the Legislative and Personnel Committee be further amended to provide that all schedules of compensation set forth in said ordinance be established, in conformance with all pertinent data, pursuant to the following formula:

(1) For those classifications originally recommended for no increase by the Civil Service Commission and subsequently recommended for a 2% increase by the Legislative and Personnel Committeee, a 5% increase shall be approved;

(2) For those classifications originally recommended by the Commission for a 2½% increase and by the Committee for a 3% increase, a 5% increase shall be approved;

(3) For those classifications originally recommended by the Commission for a 5% increase, and by the Committee for a 5% increase, a 5% increase shall be approved;

(4) For those classifications originally recommended by the Commission for an increase above 5%, and by the Committee for an increase above 5%, a 5% increase shall be approved.

Supervisor Gonzales seconded.

Motion refused adoption by the following vote:

Ayes: Supervisors Gonzales, Mendelsohn, Nelder—3.

Noes: Supervisors Barbagelata, Feinstein, Kopp, Molinari, Tamaras, von Beroldingen—6.

Absent: Supervisors Francois, Pelosi—2.

Supervisor Mendelsohn, seconded by Supervisor Gonzales, moved to amend by including a modified dental plan to which the City and County would contribute $8.00 per month per employee.

Supervisor Molinari then inquired of Deputy City Attorney Donald Garibaldi whether or not the Board could adopt a dental plan. Mr. Garibaldi responded that the Board does not have authority as part of the ordinance in question to adopt such a plan and that any such plan would have to be submitted to the voters.

The roll was called and the motion was refused adoption by the following vote:

Ayes: Supervisors Gonzales, Mendelsohn—2.

Noes: Supervisors Barbagelata, Feinstein, Kopp, Molinari, Nelder, Tamaras, von Beroldingen—7.

JOURNAL OF PROCEEDINGS BOARD OF SUPERVISORS

The proceedings hereinafter recorded were undertaken by the Board of Supervisors of the City and County of San Francisco pursuant to the following proclamation made and issued by his Honor, Joseph L. Alioto, Mayor of San Francisco.

PROCLAMATION

By virtue of the power vested in me under Section 3.100 of the Charter of the City and County of San Francisco, I do hereby declare a public emergency to exist in connection with the labor-management disturbances now occurring in the City and County of San Francisco.

By virtue of said power I do hereby declare that Section 3.500 and any other section of the Charter which precludes our Board of Supervisors, directly or through representatives, from meeting in executive session with representatives of the City's workers is hereby suspended until further order from this office.

(SEAL) IN WITNESS WHEREOF, I HAVE HEREUNTO SET MY HAND AND CAUSED THE OFFICIAL SEAL OF THE CITY AND COUNTY OF SAN FRANCISCO TO BE AFFIXED THIS EIGHTH DAY OF MARCH 1974.

/s/ JOSEPH L. ALIOTO
Mayor

SECTION 3.100
CHARTER
CITY AND COUNTY OF SAN FRANCISCO

"In case of a public emergency involving or threatening the lives, property or welfare of the citizens, or the property of the city and county, the mayor shall have the power, and it shall be his duty, to summon, organize and direct the forces of any department in

the city and county in any needed service; to summon, marshal, deputize or otherwise employ other persons, or to do whatever else he may deem necessary for the purpose of meeting the emergency. The mayor may make such studies and surveys as he may deem advisable in anticipation of any such emergency. (Amended, 1948; 1961)"

Said proceedings of the Board of Supervisors were undertaken in further consideration of the provisions of Section 54957.6 of the California Government Code, reading as follows:

"Notwithstanding any other provision of law, a legislative body of a local agency may hold executive sessions with its designated representatives prior to and during consultations and discussions with representatives of employee organizations regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of employees in order to review its position and instruct its designated representatives."

At all times during the meetings or sessions of the Board of Supervisors as hereinafter set forth, in compliance with said Section 54957.6, California Government Code, the Board of Supervisors as an entity and the members thereof acted in conformity with said section and in compliance with Ordinance No. 409-73, pursuant to which Thomas G. Miller has been duly appointed Acting Director, Employee Relations Division, office of the Chief Administrative Officer.

At all of said times, Mr. Miller accompanied or was in direct contact with said Board as its designated representative, prior to and during consultations and discussions with representatives of employee organizations regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of employees, in order for the Board to review its position and instruct its designated representative, and conclude its negotiations.

During the executive sessions hereinabove referred to, the Board was in constant touch with City's Mayor Joseph L. Alioto and with Thomas G. Miller, Acting Director of its Employee Relations Division (See Ord. No. 409-73). Mayor Alioto was present at the March 10, 13 and 14 sessions. SATURDAY, MARCH 9, 1974 — 2:00 P.M.

In meeting of the Board of Supervisors, San Francisco, Chambers of the Board, City Hall, Saturday, March 9, 1974, 2:00 p.m.

Supervisor Barbagelata, through the President, requested the City Attorney to comment on the legality of the Board meeting in executive session with members of labor organizations to discuss the salary standardization ordinance. Mr. O'Connor informed

the Board that with the suspension of Charter Section 3.500, the remaining applicable law was the Brown Act which contained a provision (Gov.C. 54957.6) allowing executive sessions with the City's designated representatives during consultations and discussions with representatives of employee organizations regarding salaries and fringe benefits. Mr. O'Connor stated that in his opinion the executive session would be legal within the intent of Gov. Code Sec. 54957.6.

Discussion

The members resumed discussion of the pending 1974 Salary Standardization Ordinance for Miscellaneous Employees.

Motion Deferred

Supervisor Francois seconded by Supervisor Kopp, moved that the City Attorney be instructed to join in the injunction proceedings against the unions—to file legal action to halt the illegal work stoppage because a strike by public employees is prohibited by the Superior Court in Action 672294, with the Chamber of Commerce as plaintiff. Supervisor Kopp added that in the action by the State Water Quality Control Board, the City Attorney ought to respond by denying the allegations and filing a cross-complaint to enjoin the work stoppage by those defendants, with a second count for indeminification and a third count for damages; and that we disseminate that information immediately.

Action on motion deferred.

Motion Deferred

Supervisor Kopp, seconded by Supervisor Francois, moved to amend by declaring that we answer the State Water Quality Control Board suit with a counter claim and an action for indemnification and punitive damages.

Action on motion deferred.

Motion Adopted

Supervisor Kopp, seconded by Supervisor Molinari, moved that the President inform Mr. Crowley that she will take up again with the Board the question of meeting with the unions as soon as the southeast sewage plant has been opened. He continued that all plants must resume normal functioning. Supervisor Francois suggested that such a message be conveyed informally. Supervisor Gonzales desired the President to call Mr. Crowley and the Mayor and the press. Supervisor Kopp declared that it should be done informally and directly to Mr. Crowley; not that we will meet if the plants are opened, but that we will consider meeting.

The President requested that, instead, the Clerk convey the motion by telephone to Mr. Crowley on behalf of the Board.

No objection, and motion carried.

The foregoing motion adopted, as dictated by the President, was as follows: "That the Clerk convey by telephone to Mr. Crowley the fact that the Board has unanimously adopted this motion that the Board will consider authorizing its team to meet again with the union committee for purposes of negotiation as

soon as all sewage treatment plants are open and operating; if this offer is not responded to by Midnight (at the home of the President), then the Board's negotiating team is dissolving and the Board will act tomorrow at 2:00 p.m. on the question before it, i.e., passage of the Salary Standardization Ordinance."

Motion Adopted

Supervisor Francois, seconded by Supervisor Kopp, moved that the City Attorney be instructed to join in the Chamber of Commerce court action for injunctive and other relief, to halt the illegal work stoppage, a strike by public employees having been held illegal by the courts. Amendment accepted, per request of Supervisor Kopp, that in the action by the State Water Quality Control Board, we should petition to enjoin the work stoppage by the defendant unions and their representatives, with a second count for indemnification for any fines or expenses incurred, and a third count for damages; that we disseminate such information immediately; that the City Attorney be instructed to go ahead tomorrow morning; and that we inform the press tonight.

The following recommendation of Legislative and Personnel Committee, heretofore considered, was taken up:

Salary Standardization Ordinance, Charter Sections 8.400 and 8.401, for miscellaneous employees, effective July 1, 1974.

File 106-74-1, Ordinance No.

President Pro Tempore

Supervisor Molinari asked that Supervisor Feinstein leave the Chair for the purpose of presenting recommendations agreed upon. At the request of the President, Supervisor Pelosi assumed the Chair.

The Chair then called on President Feinstein who served as Chairman of the committee participating in negotiations relating to salary standardization.

Supervisor Feinstein presented an outline of the negotiations, stating that the demand was $80 across the board, plus a dental plan. When the Mayor called a state of emergency waiving the Charter, the Board authorized a negotiating team comprised of five members of the Board to meet with a like number of employees.

Supervisor Feinstein stated that the team tried to hold as firm as it could, day after day, hour after hour. The situation became more serious by court actions and escalation of strike action ,and it was decided that negotiations would be entered into as a full Board, and the team was dissolved. The Mayor acted as mediator throughout the negotiations.

Motions to Amend

Supervisor Feinstein, seconded by Supervisor Mendelsohn, moved to amend as follows:

(1) Provide an increase of $45.00 per month per employee for the first six months of the fiscal year, and an increase of $55.00 per month per employee for the last six months of the fiscal year;

(2) Grant aditional internal adjustments, including retirement, in the amount of $80,463;

(3) Include a dental plan with City contributions on the basis of not more than $7.00 per employee per month.

Statement

After discussion by several Supervisors, Supervisor Pelosi stated for the record that the Mayor of San Francisco issued a proclamation indicating that the City and County was in a state of emergency and the City Attorney confirmed our opinion that we were allowed under the law to participate in these sessions in order to restore the government of the City. We suspended all meetings of our committees, and in fact there was no government this week. The citizens asked the Board of Supervisors to do two things, hold the line and not give away the City treasury, and restore City services. That was the problem—to bring peace, and fairness in the way of salaries. We did everything in our power to meet the problems presented at that time.

Adopted

After further discussion, Supervisor Mendelsohn announced that the union had just accepted the proposed package by a vote of three to one.

The roll was called and Supervisor Feinstein's motion to amend was adopted by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, Tamaras, von Beroldingen—8.

President Pro Tempore

At the request of Supervisor Feinstein, Supervisor Francois assumed the Chair to allow her to participate in debate from the floor.

Supervisor Kopp, seconded by Supervisor Pelosi, moved that consideration be continued one week.

Statement

Supervisor Feinstein stated that this legislation will do more to change the single family nature of residential San Francisco than any other action that this Board can take, and with that in mind, for those who wish to protect single family residence, we must determine how effective a conditional use can be. There are already approximately 385 residential care homes operating under Titles 9 and 22 of the California Administrative Code. Of 3,000 patients, one-third have no prior record of residence in San Francisco. The mentally ill are gravitating to the City and County. It is critical that San Francisco not become a nest of board and care homes, which makes it essential that some restrictions be imposed.

Thereafter Supervisor Feinstein, seconded by Supervisor Molinari, moved that the matter be re-referred to committee and to the City Planning Commission.

No objection and motion carried.

Motion to Extend Time for Debate

Supervisor Kopp, seconded by Supervisor Francois, moved to extend Supervisor Barbagelata's time for debate for another ten minutes.

No objection and motion carried.

Supervisor Kopp requested that a communication from the General Manager, Personnel, dated March 25, 1974, addressed to him be made part of the record. Text of the communication is as follows:

This is in response to your letter requesting cost figures for all 15,385 miscellaneous employees currently being paid under Section 8.401 of the Charter with no transfer of employees to Section 8.403. You request that these costs include the extra amount based upon an increase in retirement and social security costs.

The figures will be listed showing both the current retirement cost and the increased retirement cost which is not official and will be determined by the Retirement Board some time in April. (You will have to get the precise cost information on social security from the Controller's Office.)

The costs are as follows:

1) 15,385 (number of employees X $600 annual increase per employee equals	$ 9,231,000
@ Retirement rate 12.819	10,414,322
@ Retirement rate 16.789	10,780,793

2) Dental plan $500,000. Additional detail as to how this amount was determined will have to be furnished by the Executive Director of the Health Service Board, Mr. Philip Kearney.

3)	Internal adjustments	$ 283,640
	Plus additional internal adjustment for Deputy Sheriffs of 2½%	71,320
	@ Retirement rate 12.819	400,462
	@ Retirement rate 16.789	414,554
4)	For craft related formula classes	312,914
	@ Retirement rate 12.819	353,027
	@ Retirement rate 16.789	365,449
5)	Transit Car Cleaners — 82 positions X $600	49,200
	Includes retirement rate @ 12.819	55,507
	Includes retirement rate @ 16.789	57,460

(The cost of $196,332 in the report of 3/15 reflects the increased cost to move the Transit Car Cleaners to Charter Section 8.403.)

6)	Non-professional hospital classifications. The cost would be	
	1415 positions X $600 per year	$ 849,000
	@ Retirement rate of 12.819	108,833
	Total	957,833
	@ Retirement rate of 16.789 — total	991.539

The figures $970,000 was our cost estimate to transfer these 1415 employees over to Charter Section 8.403 under the affiliated hospital collective bargaining agreement.)

7) Social security cost — $200,000. Once again the best source for this cost information is the Controller's Office.

Appointment of President Pro Tempore

At the request of the President, Supervisor Mendelsohn assumed the Chair in order that the President might participate in the debate from the floor.

Motion to Amend

Supervisor Kopp responded the cost of his proposal would be approximately $150,000; that engineers and accountants would have received an increase of five percent; that their increase now amounts to one and one-half to two percent on an across-the-board basis; that these classifications are under the prevailing wages — engineers, chemists, planners, accountants.

Resolution requesting the Governor to proclaim the City and County of San Francisco to be in a state of emergency, and to implement in said City and County the State mandatory gasoline consumer purchasing plan.

File 222-74-1, Resolution No.

The Clerk read a communication from his Honor, the Mayor, explaining that since he received the resolution, substantial changes have taken place: the President has removed the Sunday sale ban; the Arab oil embargo has been lifted provisionally; the oil companies have increased their allocation of gasoline to stations; and adjoining counties which have enacted the odd-even plan have reported on it unfavorably. His own observation indicates that lines (at gas stations) are getting shorter, and the situation should be reviewed.

The President explained that the Board could re-refer the measure to Committee, override the veto, or let the veto stand.

The Clerk advised the Board has 30 days to act on the veto.

Request

Supervisor Barbagelata stated that for the past several months various statements have been made by City officials indicating that San Francisco has, or is going to have, a budget crisis for fiscal year 1974-75. The Controller, during the salary standardization debate, informed the Board of various problems pertaining to the 1974-75 budget. The Budget and Governmental Efficiency Committee is now considering what items to freeze in anticipation of the crisis. The Board has little information on the so-called crisis, its causes and remedies.

Supervisor Barbagelata, joined by Supervisor Kopp, requested that a communication be directed to the Mayor, the Mayor's Fiscal Policy Committee and the Controller, over his signature, requesting the following: 1) an estimate of the extent of the budget crisis with a general breakdown in terms of new costs to the City and lost revenue for fiscal year 1974-75, and 2) copies of any material or memoranda prepared for the Mayor, the Mayor's Fiscal Policy Committee or the Controller relating to possible additional sources of income, including new or higher taxes and possible methods of extending the ad valorem tax limitations.

Supervisor Mendelsohn requested that a letter be sent over his signature (joined by Supervisors Tamaras and Feinstein) to the State Department of Education, and especially to Dr. Wilson Riles, asking on behalf of at least some of us in the community that Dr. Riles meet with our school board and Dr. Steven P. Morena, Superintendent of Schools of San Francisco, to assist San Francisco to in fact move toward the true quality of education our children deserve, within the monies available to us actually or potentially. It seems to Supervisor Mendelsohn that if, in fact, the State Superintendent of Public Instruction and the State Department of Education, with their expertise and fiscal and educational advisors can be of assistance to us, we ought to encourage them to help us immediately and effectively in the interests of the school children. Supervisor Gonzales requested that his name be included in the request.

No objection, and Clerk directed to comply.

Adopted

The following recommendation of Health and Environment Committee, heretofore considered, was taken up:

File 93-74-2.1, Resolution No. 262-74.

gation and power of the Board is the certification by resolution that it has read and considered the Environmental Impact Report and resolution of the City Planning Commission.

President Pro Tempore

On request of President Feinstein, Supervisor Francois assumed the Chair to enable her to join in debate from the floor.

Supervisor Tamaras Excused from Voting

After discussion, the roll was called and the measure was adopted by the following vote:

Excused from voting: Supervisor Tamaras—1.

Explanation of Vote

Thereafter Supervisor Feinstein resumed the Chair.

Refused Adoption

The following from the Clerk, heretofore considered, was taken up:

Resolution disapproving decision of the City Planning Commission by its Resolution No. 7126, approving application for conditional use in an R-3 and R-4 district of property located in the area generally bounded by Fulton, Shrader, Fell and Stanyan Streets for additions to St. Mary's Hospital and Medical Center.

File 93-74-2, Resolution No.

Read Into Record

Supervisor von Beroldingen read, for the record, the following communication dated March 12, 1974, addressed to Members, Board of Supervisors, and signed by Messrs. Will Protho, J. O. Engmann, Michael O'Neill, Wah Sum Tom and Mrs. Zella MacPherson:

"We are the owners of property comprising the site of the proposed St. Mary's office building project. At the

public hearing on February 25th, there were several statements and insinuations which have since generated many untrue rumors which we would now like to correct. We are not now nor have been in "secret negotiations" with St. Mary's Hospital for the purchase of our property. We have consistently told St. Mary's that we were not interested in selling unless FORCED to do so.

"While we can understand the desire and respect the right of one of our neighbors to sell, after the seemingly endless harassment and struggle that all of us have had to endure to keep our homes and property, we assert that we should have the same right not to be forced to sell. Twenty-four families, comprising approximately 75 individuals now have their homes in our buildings. We urge that you reject this illegal and most destructive project and support us in our appeal."

Thereafter the roll was called and the resolution was refused adoption by the following vote:

Ayes: Supervisors Feinstein, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, von Beroldingen—7.

Noes: Supervisors Barbagelata, Francois, Pelosi—3.

Taken Up Out of Order

Consideration Continued

There being no objection, on motion by Supervisor Mendelsohn, seconded by Supervisor Molinari, the following from Budget and Governmental Efficiency Committee with recommendation "Do Pass After Amendment", was taken up out of order:

Annual Budget of the City and County of San Francisco for the fiscal year 1974-75.

File 100-74.

(Consideration of the budget to be continued to May 20, 1974.)

Supervisor Mendelsohn presented the following statement on behalf of the Budget and Governmental Efficiency Committee:

The Budget and Governmental Efficiency Committee (my colleagues are Supervisors Dianne Feinstein, John L. Molinari, Alfred J. Nelder and Dorothy von Beroldingen), presents to the Board of Supervisors today the proposed annual budget of the City and County of San Francisco for the fiscal year 1974-75.

Two itemized lists of the Budget and Governmental Efficiency Committee's recommendations, (1) Budget, and (2) supplemental budget, have been furnished Board members. These lists, together with Volumes I, II, and III of the Budget, and the volume of Supplemental Budget Requests, constitute a comprehensive budget report.

The Annual budgets of the San Francisco Unified School District and the San Francisco Community College District are not included with the City and County figures because these budgets have not yet been finally adopted and are not, in any event, subject to action by the Board. All statistics herein have been compiled or adjusted to reflect the absence of these Districts' data.

Comparative data highlighting the budget is as follows:

1973-74	Budget	$647,951,466
1974-75	Departmental Requests (excluding salary standardization)	709,852,469
1974-75	Mayor's Recommended Budget	650,138,208
1974-75	Budget and Governmental Efficiency Committee recommended cuts of Mayor's budget.	10,765,203
1974-75	Budget and Governmental Efficiency Committee Recommended Budget	639,373,005*

In addition to cutting the 1974-75 budget this committee held a series of meetings reviewing unspent 1973-74 equipment and capital improvement funds resulting in recommendations to rescind $3.6 million of such appropriations.

*Excludes additional $4.0 million repayment to General Fund classified as an expenditure by the Airport.

REVENUE ESTIMATES

Based on information provided by the operating departments, the Committee believes that the following revenue estimates should be considered in the setting of the tax rate:

PAGE	LINE	TYPE OF REVENUE	CONTROLLER'S BUDGET ESTIMATE	COMMITTEE'S ESTIMATE
952	21	Interest Revenue-Treasurer	$14,000,000	$16,500,000
786	8	Care of Patients - SFGH	1,620,000	2,000,000
786	10	Care of Patients - Medicare SFGH	2,000,000	2,200,000

786	16	Care of Patients - Medical SFGH	13,500,000	14,850,000
786	19	Care of Patients - Medicare LHH	150,000	600,000
786	20	Care of Patients - Medical LHH	7,200,000	10,200,000
786	22	Care of Patients - LHH	150,000	200,000
953	4	Motor Vehicle In Lieu-City	5,800,000	6,650,000
953	2	Motor Vehicle In Lieu-County	4,500,000	5,200,000
952	19	Employer's Payroll Tax-Tax Collector	19,100,000	20,000,000
		TOTAL	$68,020,000	$78,400,000

In total, the Committee's revenue estimates exceed those of the Controller by $10,380,000. This entire amount would directly reduce the Ad Valorum Tax requirement.

The amount of support for the annual budget from ad valorum taxes cannot be precisely determined before September, 1974, when the expected increase in the assessed property values together with surpluses, subventions, grants, and various revenue and expenditure adjustments are finalized by the Controller. Despite a continuing unprecedented rate of inflation which has increased the costs of goods and services more than 10 percent over the last year, it is the firm intention of your Budget and Governmental Efficiency Committee to recommend to the Board any and all actions which may prudently be taken to maximize the use of existing funding sources other than property taxes in order to maintain the current property tax rate of $12.25.

PERSONNEL, GENERALLY

Net new positions requested by departments	2,524
Net increase in positions recommended by Mayor	213
Net increase in positions recommended by Committee	152

The committee has recommended that $5,692,630 be deleted from the budget. This amount would have funded 404 presently vacant positions. This action will, in effect, continue the freeze on the filling of most vacant positions begun many months ago by the Mayor and the Board. The positions will be continued in the budget and will be available for funding in the future when program needs and adequate revenues may be demonstrated. No presently filled positions will be affected by this action.

Vacant uniformed police, sheriff, fire and platform positions, along with Airport, Port, Water, Hetch Hetchy, and PUC General Office have been excluded from this proposed 1974-75 freeze on filling vacant positions, thereby assuring that public safety and convenience will not be affected by this recommendation.

Increases in retirement benefits approved by the voters resulted in a $9.5 million increase in the 1974-75 budget. Health Service System contributions increased $3 million. The Social Security Employer's tax increased $1.1 million.

Salary Standardization for Miscellaneous Employees increased the budget for salaries of permanent employees by $11.3 million. The Controller estimates that an additional $7 million will be needed to fund increases for employees covered by labor agreements yet to be finalized by the private sector.

DEPARTMENT OF SOCIAL SERVICES

The Department of Social Services $109 million budget recommended by the Mayor showed a decrease of $39.7 million from the 1973-74 budget of $149.4 million. However, total State, Federal and local funds for Social Services programs that remain a City and County responsibility actually increased by $2.2 million. Under HR1 and AB134 the Social Security Administration assumed responsibility for $45.1 million of Adult Programs for the aged, blind and disabled which were included in the 1973-74 budget and largely made up of Federal and State funds.

In 1974-75 the City and County is required under AB134 to pay the State $9.5 million to supplement the Federal allowances in the adult programs. In addition, the Mayor recommends, and this committee concurs, that 188 positions previously assigned to Adult Programs be continued in the 1974-75 budget. These continued positions will be 100 percent Federal and State funded. They will be used to provide continued social services required under AB134 and to comply with Federal guidelines in reducing aid payment errors and allowing more frequent reviews of recipients' income and eligibility in Medi-Cal, Food Stamp, and Aid for Dependent Children's programs. It is expected that such reviews will increase Department of Public Health revenues under the Medi-Cal program.

The 1974-75 budget includes increases of $6.4 million in homemaker contractural services, (page 261, line 19) to continue services to the aged and disabled that were formerly included in the aid payment account; a one-half million dollar cost-of-living increase in Aid to Families with Dependent Children program on (page 259, line 20); one-half million dollar cost-of-living increase in General Assistance Program on (page 260, line 7); and a $11 million increase in the Foster Care of Children Program on page 260, line 16, to fund a rate adjustment and full funding for estimated caseloads.

DEPARTMENT OF PUBLIC HEALTH

The major increases in the Department of Public Health budget are: (1) Increased cost of operating parallel facilities during the move into the new San Francisco General Hospital and (2) equipment for the new General Hospital facilities.

On page 245, Supplemental Budget, the Committee has recommended approval of the $1.9 million allowed by the Mayor for 10 new employments, additional contractural services and $1.1 million in equipment items for the new $40 million dollar San Francisco General Hospital replacement unit anticipated to be occupied in November 1974. The committee's recommended reductions in the public health budget were made in cooperation with Doctor Curry, Director of Public Health based on program costs and work load information developed by the department.

REVENUE SHARING

The committee has recommended cutting the Mayor's allocation of revenue sharing funds from $22,223,154 to $20,749,812. This action was necessary because San Francisco is entitled to less funds in 1974-75 under the existing revenue sharing distribution formulas. The 1974-75 revenue sharing funds have been allocated to seven departments. Other programs started with revenue sharing funds will be continued where justified with local funds.

POLICE DEPARTMENT

The committee has recommended approval of full funding for the uniformed force and 12 new positions for the civilian force. The additional positions in the civilian force will be utilized to increase the effectiveness of the Department's newly modernized Communication Center and to accelerate the processing of warrants which will provide for improved departmental efficiencies and an increase in revenues in the Criminal Justice Agencies.

During the calendar year 1973 the Police Helicopter Program has demonstrated its effectiveness by directing ground forces to 188 arrests, 63 of which were felonies. According to the Department, in all of these cases, arrests would not have been made or would have been doubtful had it not been for the aerial advantage of the Helicopter Unit.

In addition to law enforcement functions, the Helicopter Units operate in other emergency capacities including fire detection. The cost of this program in the 1974-75 budget is $329,958.

SHERIFF

The Committee has recommended approval of 27 new positions in the regular budget and 21 new positions in the supplemental budget which reflect the additional jail positions recommended by the Special Court Master appointed by the U.S. District Court. The majority of these positions are new Deputy Sheriff positions to provide adequate security at the San Bruno Jail and adequate staff to provide for vacation, sick leave and peace officer training.

LIBRARY

The Committee has recommended an increase of $100,000 in the $550,000 allowed by the Mayor for library and reference books (page 1228, line 8). The total of $650,000 is still $160,000 less than the 1973-74 budget of $810,000 for this item. Although this will result in fewer books being purchased, it will give the Public Library the opportunity to process its backlog of new books presently on hand and to deliver them to the branches for circulation.

It has been recommended that funds for postage (page 1022, line 5) be reduced from $25,000 to $19,000 and that the Public Library use post cards instead of letters to send overdue book notices to patrons.

DEPARTMENT OF PUBLIC WORKS

Recognizing the policy of the Board to insure the success of the City and County sponsored Neighborhood Rehabilitation Assistance Program (RAP), the Committee has approved four new positions which will provide technical and administrative support to the program. In addition nine new positions were approved subject to the Board's approval of a proposed reorganizational plan which will result in increased efficiencies in building code enforcement.

The Committee has approved all mechanical equipment recommended by the Mayor for street cleaning in order to produce observable results from new street cleaning efforts as soon as possible.

MUNICIPAL RAILWAY

The Municipal Railway budget includes ten new positions. The Committee's recommendations reflect the Board's policy to support Municipal Railway management in their continued efforts to provide quality service for their ridership. The increased employments for 1974-75 will enable the Municipal Railway to effect improved controls over the increasing costs due to employee compensation claims and also provide for implementing the new "Fast Pass" which will result in savings and convenience for Muni's riders.

SAN FRANCISCO INTERNATIONAL AIRPORT

The 1974-75 Airport budget amounts to $30,330,105, an increase of $782,529 or 2.7%. While permanent employments have increased from 475 to 546, all 71 new positions are involved in Federally mandated security programs. In the 1973-74 budget these positions were funded under a line item of airport security costs. However, for the 1974-75 year, they are shown as new positions with a 100% offsetting revenue. Also, in the Airport budget

for 1974-75 is the second installment of $2,000,000 for the repayment of pre-1958 General Fund support.

Not shown in the budget, but forthcoming is an additional payment of $4,000,000 to the General Fund. The Airport expects to receive the $4 million during 1974-75 from the State Department of Transportation on the sale of airport land for freeway purposes. Recognizing the City's severe financial constraints in 1974-75, the Airports Commission has responded to the Board of Supervisors' request of the various utilities for additional support by making the $4,000,000 available to the General Fund. The committee appreciates the Commission's cooperative spirit and takes this opportunity to acknowledge it.

PUBLIC UTILITIES COMMISSION

In arriving at the final property tax rate for 1974-75, the committee plans to include in its revenue estimates an additional $4.8 million from the Public Utilities Commission. These funds are available because of extraordinary income from the sale of excess lands and a continuing high income from the sale of power. The committee commends the Public Utilities Commission for its cooperative efforts in making these funds available to the general fund.

MAYOR'S RECOMMENDATIONS TO CORRECT CLERICAL ERRORS

The committee recommends approval of changes received from the Mayor's Office because of the following clerical errors:

Civil Service Commission (page 59, line 12), delete 1 Senior Personnel Clerk (New) and add (page 59, line 17), 1 - 1217 Senior Classification Clerk, an existing position deleted in error by the Mayor.

Building Inspection (page 574, line 12), reduce Class 6331 Building Inspector from 14 to 13 new positions. Also (page 586, line 3), permanent salaries IDWO, increase the amount from $37,401 to $46,328 to provide for a 1426 Senior Clerk Typist in the City Attorney's office for the Rehabilitation Assistance Program.

Municipal Railway (page 1314, line 17), reduce Special Investigations from $52,000 to $50,000.

COMMITTEE RECOMMENDATIONS FOR INTERIM STUDY

The Budget and Governmental Efficiency Committee has identified various problem areas that exist within the departmental operations as a result of its detailed sub-committee budget analysis. During the 1974-75 fiscal year the Budget Analyst will perform these investigations:

1. Review existing E D P programs which will cost over $7 million in 1974-75, even though the committee has recommended no new projects. An in-depth study by the Budget Analyst is necessary to determine whether (and where) existing projects may be cut prudently.

2. Review State and Federally funded programs to determine if all indirect costs are included in reimbursement to the General Fund.

3. Review personnel system to determine adequacy of position controls, to improve budget administration and the availability of management information.

4. Review office machines maintenance and repair practices to determine feasibility of establishing a central repair service in the Purchasing Department.

ANNUAL APPROPRIATION ORDINANCE — ADMINISTRATIVE PROVISIONS

The Controller has proposed the following described amendment to the Administrative Provisions, and the committee recommends approval:

Amend Section 17 to establish a rate of eighteen (18¢) cents per mile to be paid officers and employees for the use of privately owned automobiles in connection with official duties or service. The 18 cent rate was adopted by the Board of Supervisors on January 7, 1974, Resolution No. 22-74.

ANNUAL SALARY ORDINANCE — ADMINISTRATIVE PROVISIONS

The Civil Service Commission has proposed an amendment to the Administrative Provisions, and the committee recommends approval, as follows:

Amending Section 1.34, maximum rate for Part-Time Service from $260 per month to $274 per month.

The Controller has furnished cost data relative to charges levied for accommodations, services and facilities furnished to employees in various departments. Based on this data, the Committee recommends amendment to the Administrative Provisions as follows:

(1) Amending Section 1.35 to increase the rate per day for meals at the Hetch Hetchy Project Boarding House from $4.70 to $4.90.

(2) Amending Section 1.35 to increase the rate per person per day at the O'Shaughnessy Guest Cottage from $28.75 to $29.50.

(3) Amending Section 1.35 to increase the rate per meal in

other departments and institutions (other than Hetch Hetchy) from $0.90 to $1.00.

(4) Amending Section 1.35 to increase the unit cost for laundry per biweekly period from $3.10 to $3.40.

ACKNOWLEDGEMENTS

The Budget and Governmental Efficiency Committee commends and thanks Controller Nathan B. Cooper, his budget assistant Thomas Nerney, the Administrative Assistant to the Mayor, George J. Grubb, and their staffs for their valued assistance and cooperation. Thanks are also extended to the Department of City Planning who prepared the graphic illustration of the budget as officially advertised in the newspaper.

BOARD ACTION

In order that all members of the Board may have an opportunity to consider in complete detail the Committee's recommended changes in the entire budget, the Committee has completed its review of the budget as much before adoption as was possible in view of the numerous meetings required. The Charter provides that the Board shall adopt the budget not earlier than May 15. The Budgetary Procedure Ordinance declares that the budget may not be adopted later than May 21.

Therefore, on the regular Board meeting of May 20, I will move that the budget, as amended by the Board in accordance with the Committee's recommendations, be adopted.

Statement of Mayor Joseph L. Alioto

The President introduced Mayor Joseph L. Alioto.

Mayor Alioto stated that he wished to make a brief statement concerning the present efforts being made to end the taxicab and airporter bus strikes. He commented that Mr. Eugene Barry, Federal Mediator, and union leaders had been meeting with him in his office today in an attempt to bring the disputes to an end.

Mayor Alioto went on to say that several years ago he had found it necessary to veto a rate increase which had been adopted by the Board because he had felt that such an increase was not justified by the data at that time. On this occasion, however, the Mayor stated he had examined the data and feels a rate increase is justified. He further commented that he believed the granting of such a rate increase would be necessary to settle the pending labor dispute insofar as there is no doubt that the company could not otherwise meet the demands being made.

Mayor Alioto urged the Board to act favorably on the proposed rate increase. He stated that even though there would be no guarantee that such favorable action will solve the problems with the three contracts in dispute, he believed that settlements could be brought about more speedily if the increase were grantd.

File 191-74-1, Ordinance No. 391-74.

Statement by Supervisor Molinari

"Since the sequence of events leading to my vote today on the proposed fare increase for taxi cabs is unusual, I would like the Journal to fully reflect my reasons for changing my vote from "No" to "Aye" on this issue.

"At its meeting of July 29, 1974, the Board of Supervisors considered this request for a fare increase. At that time, I voted "No" because I believed the increase requested to be excessive. The vote was 5-5 with Supervisor Peter Tamaras excused from voting. Later in the meeting, that vote was rescinded and the matter continued until Friday, August 2, 1974, to allow the Budget Analyst to respond to a request from the Board for additional financial information.

"During the August 2nd meeting, only seven members of the Board were present. The Mayor attended and explained that the negotiations for a strike settlement were being delayed by our failure to act and, indicated, that if we passed the fare increase, the strike would be settled. Reluctantly, I agreed to vote for the increase motivated mainly by a deep concern for the financial ramifications of the strike during the peak of the tourist season. The vote was 6-1 in favor of the fare increase.

"Earlier in this meeting when the matter was before us for passage to second reading, I noted that ten days had passed and the strike was still not settled. In addition, the contract negotiated was different from what I had expected as it contained a dangerous provision for re-opening the negotiations in sixty days, which could lead to another request for a fare increase. Also, the Budget Analyst advised that he had re-examined the figures and suggested a compromise figure of 70¢ for the flag drop, which was approved on first reading at 80¢. I believed that the lower flag drop rate would allow the company to meet union demands and still make a profit. I therefore voted "No" on the increase on passage for second reading. The result was a 5-4 vote, one short of the necessary six votes needed for final passage.

"Supervisor Mendelsohn is excused from this meeting and on official leave. President Feinstein has stated she will institute a Call of the Board, requiring the return of Supervisor Mendelsohn, unless the matter is passed. I just spoke on the telephone with Supervisor Mendelsohn in Hawaii and he has assured me that he does not wish to return to cast his vote, but if he is compelled to do so, he will vote in favor of the proposed increase. His statement was dictated over the telephone to his Administrative Assistant and reads as follows:

> "Though I believe the demonstrated need for the taxicab rate increase to be open to question, I have decided that, were I able to attend the Board of Supervisors meeting tonight, I would cast my vote in favor of the increase. This decision is

based on the serious blow the strike has caused the economy of San Francisco, even more serious now, at the height of the tourist season. This decision is further based on the clear understanding that the drivers have voted to ratify the contract in accordance with the provisions established by this Board. I have asked Supervisor Molinari to cast this vote in my behalf, which he has graciously agreed to do.'

"Should Supervisor Mendelsohn return tomorrow, the result will be the same as if I now change my vote from "No" to "Aye" for his convenience. The only difference will be that the taxpayers will not have to pay for his flight and the cost of convening the Board tomorrow. I see no possible benefit to the people of San Francisco in pursuing this course. I shall, therefore, change my vote to "Aye"."

Thereafter the roll was called and the measure was finally passed by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Molinari, Pelosi, von Beroldingen—6.

ROBERT J. DOLAN, Clerk

Saturday, August 24, 1974 — 2:00 p.m.

In meeting of the Board of Supervisors, San Francisco, Saturday, August 24, 1974.

File 104-74-1, Ordinance No. 405-74.

The roll was called and the ordinance was finally passed by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, von Beroldingen—7.

Noes: Supervisors Barbagelata, Kopp, Molinari, Tamaras—4.

Passed for Second Reading

The following recommendation of Finance Committee, heretofore considered, was taken up:

Ordinance amending the Annual Appropriation Ordinance, 1974-75, to reflect revenue and expenditure appropriation adjustments necessary to meet requirements for platform employees under the provisions of Charter Section 8.404.

File 101-74-21, Ordinance No.

Upon inquiry by President Feinstein, Mr. Thomas M. O'Connor, City Attorney, advised that the Board is bound by the Charter to pass the appropriation ordinance as a result of having passed the Salary Standardization Ordinance, and that the ordinance in question is no longer a matter of debate because the Board as a body has passed the Salary Standardization Ordinance, which constitutes a vested right, and it would be the wrong position for this Board to refuse, after having set the salaries, to fund them.

Supervisor Francois, seconded by Supervisor von Beroldingen, moved to amend by adding an emergency clause.

Adopted by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—11.

Refused Final Passage

After discussion, the roll was called and the measure as amended was refused final passage by the following vote:

Recess

Supervisor Mendelsohn, seconded by Supervisor Pelosi moved that the Board recess for five minutes.

Adopted by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, Tamaras, von Beroldingen—9.

Noes: Supervisors Kopp, Molinari—2.

Thereupon the Board, at the hour of 3:00 p.m. recessed.

Reconvening of the Board

The Board at the hour of 3:20 p.m., reconvened.

Motion to Rescind

Adopted

Supervisor Francois, seconded by Supervisor Mendelsohn, moved that the vote by which the measure was refused final passage be rescinded.

Adopted by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, von Beroldingen—7.

Noes: Supervisors Barbagelata, Kopp, Molinari, Tamaras—4.

Supervisor Francois then moved, seconded by Supervisor Mendelsohn, to remove the emergency clause, stating that it was his understanding that the Mayor intends to declare an emergency to remove the time limitation imposed by the Charter for passage of the ordinance.

Motion adopted by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Pelosi, von Beroldingen—7.

Noes: Supervisors Barbagelata, Kopp, Molinari, Tamaras—4.

After further discussion, the Chair noted the presence of his Honor, the Mayor, and called upon him for his comments.

Emergency Declaration

The Mayor stated that since the members of the Board seemed to be at an impasse with regard to passage of the appropriation ordinance he would declare an emergency to extend the time for action thereon, and read the following communication dated August 24, 1974, addressed to the Board, and signed Joseph L. Alioto, Mayor:

"In accordance with the emergency powers vested in me by the Charter, I hereby declare an emergency to exist requiring suspen-

sion of Section 8.404(g) of the said Charter, and the said section is hereby suspended.

"The effect of this suspension is to remove the necessity for your Honorable Board to act on the unresolved appropriation and salary ordinances before you by August 25, 1974.

"The time in which to act is hereby extended for an additional two weeks from this date."

Statement by Supervisor Tamaras

Supervisor Tamaras stated that he voted against the measure because of the fringe benefits contained therein which in his estimation are unfair to the people of San Francisco. However, the Supervisor said he would now change his vote because of the threat of a strike which would affect the welfare of many citizens, and because of the added costs if the matter were to be the subject of a court action.

Statement by Supervisor Kopp

Supervisor Kopp made the following statement:

"The so-called 'illegal' act of voting 'no' on this unjustified appropriation is no different than the illegal vote of eight members of the Board who voted for a dental plan for city employees as part of the 1974-75 salary standardization ordinance. That will be decided in the courts, as should the 'illegality' of my 'no' vote on this item."

Thereafter the roll was called and the measure was passed for second reading by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, Tamaras, von Beroldingen—8.

Noes: Supervisors Barbagelata, Kopp, Molinari—3.

Passed for Second Reading

The following from Finance Committee was taken up:

Ordinance amending Annual Salary Ordinance, 1974-75, by adjusting compensation schedules for platform employees of the Municipal Railway pursuant to Charter Section 8.404, effective July 1, 1974; a companion measure to the preceding item.

File 102-74-15, Ordinance No.

(Presented to the Board by Chairman of Finance Committee with the acquiescence of the other two members, in view of Charter requirement for enactment not later than August 25; the Committee recommends that an emergency section be added for compliance with time limitations of the Charter, and, thereafter, that it be finally passed.)

Supervisor von Beroldingen, seconded by Supervisor Nelder, moved passage for second reading.

Passed for second reading by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Mendelsohn, Nelder, Pelosi, Tamaras, von Beroldingen—8.

seconded by Supervisor Pelosi, the following Special Order from the President was taken up out of order:

Consideration of revision of rates to be charged by the San Francisco Water Department for water service in San Francisco and suburban areas, as approved by the Public Utilities Commission on August 13, 1974, by Resolution No. 74-0273.

File 396-74.

(August 14, 1974—Public Utilities Commission transmitted new revised schedule of rates approved by that Commission on August 13, 1974, by Resolution No. 74-0273, in compliance with request of the Board of Supervisors in transmitting its rejection of the schedule of rates dated June 18, 1974.

The new revised schedule provides for a 14.5 percent increase in all rates inside the City, and a 20.5 percent increase in all rates outside San Francisco.)

The privilege of the floor was granted to the following:

Mr. Walter O'Donnell, Self-Help for the Aging

Miss Virginia Fusco, Marina Civic Improvement and Property Owners Association

Mr. Joseph Minahan

Ms. Susan Smith, representing environmental organizations

Mr. Harold Truskanoff

Mr. Joe Enos

Mr. Thomas Jenkins, Attorney for Bay Area Water Users

There being no one else present who wished to speak, the Chair declared the hearing concluded.

Reconsideration Refused

The following unfinished business from the Mayor was taken up:

Resolution approving revised schedule of rates to be charged by the San Francisco Water Department for water service in San Francisco and suburban areas.

File 396-74-2, Resolution No.

(June 26, 1974: Public Utilities Commission transmitted revised schedule to Board of Supervisors. Charter Sec. 3.598 provides in part that, if the Supervisors. shall fail to act on any such proposed schedule within 30 days, the schedule shall thereupon become effective.)

(July 24, 1974: Resolution refused adoption, and schedule rejected by Board of Supervisors; 1 aye, 10 noes. Charter Sec. 3.598 provides in part that, if the proposed rate changes are rejected by a ⅔ vote, they shall be returned to the Commission for revision.)

(July 30, 1974: Letter received from Mayor, requesting reconsideration of resolution "Approving Revised Schedule of Rates . . .")

(August 5, 1974: Consideration continued to August 19, 1974 with pending motion by Supervisor Feinstein, seconded by Supervisor Nelder, that the measure be reconsidered.)

(August 19, 1974: Consideration continued to August 26, 1974.)

President Pro Tempore

There being no objection, President Feinstein requested Supervisor Molinari to take the Chair to allow her to participate in debate from the floor.

Explanation of Vote

Supervisor Feinstein stated that she would vote against the motion to reconsider because Charter Section 3.598 relating to utility rates specifies that rate changes proposed by the Public Utilities Commission, if rejected by this Board, shall be returned to the Commission for revision, and said Section makes no reference to the Mayor's authority to send the proposed changes back to the Board of Supervisors.

Supervisor Francois stated that he would vote in favor of reconsideration because he was against the proposal for differential rates which he believed would result in a lawsuit, the risk of which would be greater than the benefit to be derived by the citizens of San Francisco.

Motion Refused Adoption

After further discussion by various Supervisors, the roll was called and the motion to reconsider was refused adoption by the following vote:

Ayes: Supervisors Barbagelata, Francois, Gonzales—3.

Noes: Supervisors Feinstein, Kopp, Molinari, Nelder, Pelosi, von Beroldingen—6.

Absent: Supervisors Mendelsohn, Tamaras—2.

Adopted

Noes: Supervisors Barbagelata, Francois, Gonzales—3.

File 396-74-4, Resolution No. 673-74.

Supervisor Feinstein, seconded by Supervisor Nelder, moved adoption.

Explanation of Vote

Supervisor Kopp made the following statement:

"My vote against this resolution is based on the fact that no water rate increase of any kind is needed but for the intent of the Finance Committee to divert $2,900,000 in proceeds from the sale of Water Department surplus land in order to make the property tax rate deceptively attractive. Those proceeds from the sale of a capital asset should be used to maintain Water Department assets in good repair. They would be so used if misleading efforts artifically to try to keep down the property tax rate were not being attempted by members of this body who regularly approve money legislation which makes that property tax rate so high."

Refused Adoption

The roll was called and the measure was refused adoption by the following vote:

Ayes: Supervisors Feinstein, Molinari, Nelder, Pelosi, von Beroldingen—5.

Noes: Supervisors Barbagelata, Francois, Gonzales Kopp—4.

"Friday evening, September 20, before your Honorable Board's Finance Committee I outlined a 4 point proposal which I believed provided fiscal safeguards for agreement on a $12.25 tax rate ordinance for 1974-75. I understand the Committee will report that proposal to the full Board today.

"One of the elements of that program provided that, as we monitored our budget, if the money was needed I would be prepared to join with you to utilize for tax rate purposes the $2 million put aside for the Performing Arts Center.

"I wish to confirm that proposal and the proviso, also announced before the Finance Committee, that from the proceeds realized by the contemplated sale of Hassler Hospital (which has been appraised well over $2 million) there must be earmarked $2 million toward the Performing Arts Center as an equal substitute. Mr. Cooper, at the same meeting, indicated this could be done and would be acceptable to him."

NEW BUSINESS

Inquiry, by the Board of Supervisors sitting as a Committee of the Whole, into the fiscal situation of the Port of San Francisco, for the purpose of formulating any legislation found to be necessary or desirable in connection therewith.

File 491-74.

Statement of President

The Board of Supervisors, acting for and on behalf of the people of San Francisco, has a direct financial responsibility for the operation of the Port in the best possible manner; that despite the grant of management authority solely to the Port Commission and its staff, the Board of Supervisors has the ultimate obligation, should Port revenues be insufficient to constitute the Port self-supporting, to require the people of San Francisco to contribute to the support of the Port by paying additional taxes; that the Board has noted allegations to the effect that tax support for the Port is imminent, and it is the duty of the Board to conduct this inquiry with a view to enacting any remedial legislation found to be necessary or desirable; that the hearing will be structured with respect to subject matter as closely as possible, recognizing that because of the Brown Act, the Board is unable to develop beforehand specific lines of questioning.

The President advised that witnesses, as called, will address the Board from a position inside the public railing adjacent to the reporter; that if necessary, the Board may exercise its subpoena powers; that it is contemplated that witnesses will not be sworn because it is believed that the verbatim record will encourage careful and correct statements; that witnesses have been apprised of their option to be accompanied by supportive personnel and refer to such reference material as they may deem requisite to their presentations; that witnesses are requested to confine their opening presentations to 15 minutes; that Board members have been requested to note any questions they may have for a particular witness, and take them up following completion of the initial presentation by all witnesses; that each Board member will be granted the floor for a maximum of 10 minutes per witness, pursuant to Board Rule 19, and that thereafter, should the hour permit, additional presentations of, and questions to, invited witnesses may be entertained; that Board members have been furnished by the City Attorney with a memorandum of analysis concerning the City and County's obligations under the Port transfer agreement, particularly in conjunction with the requirements of the Burton Act; that a copy of the transfer agreement and a copy of the Burton Act have been furnished by the Clerk; that copies of any relevant Port audits, together with analyses of such audits and the Port's financial statement and an informational kit have been furnished by the Budget Analyst of the Board of Supervisors.

The President announced that there will be a series of four inquiry sessions by the Committee of the Whole embracing, and confined respectively as closely as possible to:

1) Financial overview, including fire and police operations, etc.;

2) Fiscal, maritime and commercial development of the Port, proposed or otherwise, favorable or unfavorable, affecting the Port's fiscal situation, including but not confined to removal of

lessees from San Francisco to other ports, such as American President Lines' removal to Oakland. This session will include also ascertainment of the reasons for fiscal uncertainty if such is found to exist, as specified in the motion calling for the hearings, including a review of the fiscal history of the Port from the time it was taken over by the City;

3) Ascertainment, within the Charter authority granted the Board, of whether management and/or conflict of interest problems affect the financial viability of the Port. Budget Analyst will examine and report on Port leases including Pacific Far East Line, Fisherman's Wharf property and others, regarding possible irregularities affffecting the Port's fiscal situation;

4) The initial portion of the session will be devoted to the receipt of oral testimony from the general public, within time limitations to be established by the Committee of the Whole. Thereafter, the Committee will consider recommendation as to whether the Port should be returned to the State, and, if so, preparation of necessary documentation and legislation for presentation to the appropriate State bodies and any additional legislation found to be necessary or desirable.

The President announced that Mr. Thomas Wilson, Schiller and Coombs Reporting Service, was engaged to record and make a transcript of the proceedings.

Supervisor Kopp stated the State and National Affairs Committee has recommended to the Board a proposed resolution requesting the Joint Legislative Audit Committee of the California State Legislature to direct the State Auditor General to conduct a management audit of the Port of San Francisco.

Robert A. Kenealey, Deputy City Attorney, read applicable portions of City Attorney Opinion No. 12-35 dated March 3, 1958, and *Shelton v. United States*, 404 Fed. 2d, 1292 - 1296, 1297, respecting the responsibility of the Board in an inquiry.

The President referred to a memorandum from the City Attorney dated October 1, 1974, respecting analysis of the Burton Act and its amendments; a memorandum from the City Attorney dated October 2, 1974, regarding analysis of the agreement relating to transfer of the Port of San Francisco from the State to the City and County; and a memorandum from the City Attorney dated October 2, 1974, regarding correlation of amendments to affected sections of the Burton Act. (See file.)

Inquiry, by the Board of Supervisors sitting as a Committee of the Whole, into the fiscal situation of the Port of San Francisco, for the purpose of formulating any legislation found to be necessary or desirable in connection therewith.

File 491-74.

Mr. Walter J. Quinn, Budget Analyst for the Board of Supervisors, commented on the materials distributed by him to the members of the Board.

The following persons testified. (See reporter's transcript for complete text of testimony.)

Miss Miriam Wolff, former Port Director
Port Commissioner James J. Rudden
Mr. Cyril Magnin, former Port Commissioner
Port Commissioner Harry Bridges

Supervisor Gonzales, seconded by Supervisor Tamaras, moved that the Board take a five-minute recess. No objection, and motion carried.

Thereafter, reported testimony was resumed.

Mr. Bernard A. Orsi, Acting Port Director.

Supervisor Tamaras requested that Mr. Wallace Wortman, Director of Property, be requested to testify at the next meeting respecting Port leases.

Supervisor Francois requested that the Port Commission be prepared to answer the following question at the next meeting: What budgetary decisions of this Board does the Port Commission feel have been detrimental or have hampered its operations as a business and as a competitive port during the past five years? They should include its annual budget, the U. S. Steel proposal for waterfront construction, and all other proposals presented to the Board which the Port believes may be opposed to the Port's position. He also asked whether the Port of San Francisco should consolidate with other Bay Area ports, return the Port of San Francisco to the State, or any other expedient.

Supervisor Feinstein announced she will ask questions on the following five basic points at the next meeting:

1) The Port staff to advise whether LASH can function by yielding an income and, if so, when can this income be estimated to go from the negative to the positive. She quoted figures from the Port Commission's Annual Statement of Income and Expense by Pier and Facility for fiscal years ended June 30, 1972, and June 30, 1973: PFEL net loss of $131,372 with a tonnage of 572 for fiscal year ended June 30, 1972, and a net loss of $201,796 with a tonnage of 1,162,015 for fiscal year ended June 30, 1973.

2) Why was Pacific Far East Line wharfage, demurrage and dockage transferred to lease accounts?

Miss Wolff explained this orally at this point. (See reporter's transcript for full text of testimony.)

3) With American President Lines' departure, what is the charge in wharfage, dockage and demurrage?

4) LASH—what is its net loss? Can it work? How much back-up land does each container berth take? What is the future of the Port with container cargo? Can the Port develop container traffic?

5) What is the total percentage of interest yielded to the City from the Port? What kind of passenger business do Port experts think can be attracted to the Port if the proposed expenditure on Pier 45 is made?

Supervisor Feinstein requested that the following persons testify at the meeting of October 9, 1974:

Mr. Walter J. Quinn, Budget Analyst, on total possessory interest received by the City from the Port;

Emergency Proclamation

The following communication from his Honor, the Mayor, was delivered to the Board at 11:57 p.m.:

"San Francisco is faced with the prospect of no tax rate ordinance within the time provided by the Charter as extended by my emergency proclamations of September 13, 1974 and September 30, 1974. Under the earlier proclamations the date was extended through October 7, 1974. I find that the emergency still exists. We cannot fully pass a tax ordinance before midnight tonight.

"Therefore, in accordance with the emergency powers vested in me by Section 3.100 of the Charter, I hereby further suspend the requirements of Section 6.208 of the Charter and extend the period of time within which 'the Board of Supervisors by ordinance shall levy a tax' until midnight of October 11, 1974.

"I further suspend the operation of paragraph 3 of Section 2.300 of the Charter providing for a second reading at least five days apart from the first reading and declare that the paragraph shall be satisfied if the second reading is two days apart.

"The emergency arises by reason of the fact that the Charter of San Francisco has a serious deficiency in that it does not provide for an impasse procedure to settle a tax rate dispute. Theories of supplying this deficiency by resort to the Courts do not appear to be founded in our Charter or any available statutes of the State of California, nor do they afford a practical, expeditious way of setting a tax; and obviously would be subject to legal attack of substantial merit."

County of San Francisco; Thomas Scanlon, Treasurer of the City and County of San Francisco; Thad Brown, Tax Collector of the City and County of San Francisco", Superior Court Action No. 681-000.

File 74-74.

The Mayor reported on the matter of obtaining Federal funds for mass transit before June 30, 1975.

He stated that in 1971 the Community College District started with a budget of $25 million; that in 1972, it increased to $26.5 million; in 1973, it increased to $29.2 million; and this year, it is $38.1 million; that in 1972, the Community College District had a surplus of $3.7 million; in 1973, it was $4.6 million, and that there has been no surplus like this anywhere in the School District.

The Mayor also stated that if the tax bill for the Community College is sent out separately, it will cost approximately $50,000 for this second mailing.

He requested that it be researched as to whether the Esberg case still rules respecting the tax rate for the Community College District, if the City has to give the District everything they request, and if the District can continue to ask for amounts which will result in surpluses for them.

Supervisor Mendelsohn stated that the tax becomes law on Friday, October 11, 1974, at 5:00 p.m., and inquired if the Mayor was precluded from signing.

James Stark, Deputy City Attorney, responded that the Mayor was precluded from signing.

Mr. Bernard Orsi suggested that invitation be extended to Mr. R. Gwin Follis, Mr. Claude Gruen and Mr. Cy Herman. Supervisor Tamaras so requested by motion, seconded by Supervisor von Beroldingen, and there being no objection motion was adopted by unanimous vote.

On the subject of inviting Messrs. Scott, Seymour and Alioto, there was a show of hands 4-3 in favor, and the President directed the Clerk to write letters of invitation to them.

Thereafter the President stated that she would be pleased to place a telephone call to Mr. Scott in an effort to ascertain whether or not his testimony would jeopardize current negotiations for use of Port space.

Supervisor Francois moved to rescind the previous vote whereby the Clerk was directed to transmit letters of invitation to Messrs. Scott, Seymour and Alioto. No action taken.

Supervisor Barbagelata suggested that a representative of San Francisco Tomorrow as well as Mr. Schrier of Manalytics, Inc. be requested to testify.

Supervisor Francois moved to rescind the vote whereby the Committee of the Whole agreed to hear from the public next week, and to replace the directive with one which will restore the plan to hear from the public at the meeting next subsequent to next week's session. No second and no action taken.

The President inquired as to whether there was objection to hearing from San Francisco Tomorrow and Mr. Schrier of Manalytics, Inc., in addition to the other witnesses next week. There being no objection, the President declared that to be the order.

MOTION TO RISE AND REPORT

Supervisor Francois moved to rise and report as a Committee of the Whole, without recommendation, and to reconvene as a

Board of Supervisors, seconded by Supervisor von Beroldingen. Motion carried by unanimous consent.

Thereupon the Board reconvened as a Board of Supervisors.

ROLL CALL

Supervisor Nelder requested that a letter be directed to the Acting Port Director suggesting that he contact the Chief of Police relative to the possibility of transferring the harbor police to the Police Department, reclassifying them as "Station Officers", thus releasing Q-2 Policemen for street duty, proposing that the Acting Port Director work with the Chief of Police in an effort to negotiate said transfer, and report on his progress to the Board of Supervisors.

Supervisor Nelder was informed by the President that any such action would require adoption of a resolution by the Board, since a motion is improper in such a case for the recordation of Board action; however, if Supervisor Nelder wished to do so, he might direct a letter on his own initiative to the Acting Port Director, which then would not constitute action by the Board.

Thereupon, there being no quorum, the President declared the meeting adjourned at the hour of 12 o'clock Midnight.

The Sacramento District Attorney is of a contrary view.)

Subpoena of Witnesses

Following a general discussion concerning the necessity, desirability and propriety of issuing subpoenas for future session of the Committee of the Whole, the following proceedings, excerpted from the transcript of the certified shorthand reporter present, were noted:

The Chair would be very pleased if you wish to leave the prerogative of subpoena with it, when the witnesses are notified and they do not respond. We will just simply issue the subpoena for the next hearing.

The next hearing, however, is a wrap-up hearing and would be, perhaps, two or three weeks away.

The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: Madam President, I wish to address the Clerk.

Mr. Clerk, is a motion by this Committee necessary in order to empower the Chair to issue a subpoena to a witness who has not responded to an invitation to appear?

THE CLERK: Yes, it is.

SUPERVISOR MENDELOHHN: I would make that motion.

PRESIDENT FEINSTEIN: Moved and seconded by Supervisor Kopp.

Supervisor Molinari?

SUPERVISOR MOLINARI: If I might, through the Chair, get clarification on your motion, your motion is simply that if someone is invited and fails to appear, a subpoena will be issued?

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: Madam President, fellow members, as you all know, it is my motion for the Chair to be empowered, once an invitation has been issued and not answered, to issue a subpoena.

Now if there is some specific reason why someone has not responded and they will respond without the need of a subpoena, fine. If not, I believe the Chair should issue a subpoena. But I think that that power ought to reside in the Chair, once someone has been invited to appear before this Committee and has not responded.

In other words, I think that they ought to have a second chance to appear without a subpoena. If, in fact, they do not appear, they ought to be subpoenaed, and I think that ought to be up to the Chair.

SUPERVISOR MOLINARI: My point is we have had two shots at Mr. Alioto. Last week, we heard his office was going to call back. They didn't respond.

Now if Mr. Alioto were to tell the chair, "I will be at the next meeting," and not show up, then we are all sitting here and Mr. Alioto is not here.

I think perhaps you are trying to give him one last opportunity, or someone else one last opportunity, but I think they ought to come.

SUPERVISOR MEDNELSOHN: I agree with the Supervisor and I think that is the situation in which I think the Chair ought to exercise its discretion.

Now I intended, at the conclusion of this evening's meeting, to move for at least a continuance of two weeks for this hearing. I think that ought to be sufficient time for anyone to respond to our invitation, and I would be willing to reside in the Chair the authority to either issue an invitation or a subpoena, as is necessary, to get the proper people before us.

SUPERVISOR MOLINARI: I have implicit faith in the Chair's ability to issue subpoenas. However, I just want to make sure I am not here two weeks from tonight or three weeks from tonight and the Chair is telling us that so-and-so, who was sure to be here, is not going to be here and they are, in fact, not here.

I want to make it understood, Madam Chairman, that I, as one member, want to hear from these people and I certainly would leave the power in your hands. It can reside there, but I would hope that we would be very firm.

PRESIDENT FEINSTEIN: Is there an objection to the motion?

Supervisor Francois.

SUPERVISOR FRANCOIS: I am sorry, Madam President, I

was not as attentive as I might have been, but would you mind telling me why these people aren't here tonight?

PRESIDENT FEINSTEIN: Mr. Clerk, would you care to run through the list and enumerate the phone calls made and the reasons given?

THE CLERK: The witnesses requested to appear at the third hearing—that is, tonight—were these:

Mr. Bernard Orsi, who responded that he would be here.

Mr. James Seymour, Attorney for the American President Lines, responded he would be here.

Mr. Norman Scott, President of American President Lines, responded that he would be out of the country.

Mr. Thomas J. Mellon, Chief Administrative Officer, responded he will be here.

Mr. Gwin Follis was not in. A message was left with his secretary and no response has been received up to this time.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS: When was the phone call placed?

THE CLERK: Friday afternoon, sir.

SUPERVISOR FRANCOIS: This past Friday?

THE CLERK: Yes, sir.

PRESIDENT FEINSTEIN: And my office has tried to contact him today but was unable to reach him.

THE CLERK: Mr. Claude Gruen, of Gruen, Gruen & Associates responded he would be here.

Mr. Cyril Herrmann, of Arthur D. Little, Incorporated, declined the invitation because of the holiday weekend.

Mr. John Alioto, President, Pacific Far East Lines, Incorporated, will be out of town until Thursday. His secretary could not respond until then.

Mr. Elliot Schrier, President, Manalytics, Inc., will be here.

In addition to that telephone response, we have a message from Mr. Schrier to this effect: Mr. Schrier, who advised last week that he would appear and testify at the subject hearing, telephoned this morning—that is today—and said he did not wish to testify because of a professional conflict. The subject matter of his testimony is contained in a report he has prepared for the California Association of Port Authorities, and he does not feel it should be discussed publicly before that report is released. Mr. Schrier does plan to attend tonight's hearing, but does not wish to testify.

In addition, Mr. Richard Gryziec and Mr. Jack Morrison, representing San Francicsco Tomorrow, responded that they would be here.

SUPERVISOR FRANCOIS: And what is the motion?

PRESIDENT FEINSTEIN: The motion is to vest with the Chair the use of subpoena when we ascertain that a witness will not be present.

SUPERVISOR FRANCOIS: I am against the motion. I think we should vote the issues tonight.

We are being treated like children; the Board really is not respected.

Now, Mr. Alioto ought to be subpoenaed, and I would offer a motion that we subpoena him. He is acting as though he is so important that he will come whenever it is convenient for him. Apparently, he has no respect for this Board of Supervisors.

That is one witness I think ought to be subpoenaed and, also, I can't remember the gentleman who says he desires not to testify, but he has made a unilateral decision that he will be here but he won't testify. I have forgotten his name, but I think he ought to be subpoenaed.

Mr. Follis, who is too busy even to return our telephone calls, I think we ought to issue a subpoena for him.

I am not going to support a motion to once again postpone some definitive action. I am not going to come here every week and play funny games with people who, apparently, think this Board is a group of nincompoops, and think they will come at their convenience.

PRESIDENT FEINSTEIN: May I make a suggestion that perhaps we issue all future invitations by subpoena. It might be the easiest way of doing it.

The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS: I think at this point maybe we should. I am getting tired of this.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Kopp.

SUPERVISOR KOPP: I think Supervisor Francois' remarks contain the seeds of what our probable course of action should be. It is a matter of integrity of the Board in these hearings, but it is also a matter of law.

I think our motion, Supervisor Mendelsohn, should be specific with respect to particular persons rather than an open-end type of authorization which might be subject to attack.

I am quite sure consideration of a renewal of the motion in an

another form to specify those persons to be subpoenaed could be acted upon. I have a couple of persons I may want to suggest.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: Implicit in my motion, fellow members, was the charge to the Chair to subpoena those people who have not responded to us. I thought that it was appropriate to give the Chair some latitude, recognizing that the Chair's view is ours, that we need the testimony from these people and that we ought to get it.

If someone is out of the country, and it appears, from the Clerk's response, that at least one of those people was, or was away from his or her office, my own feeling is that we ought to give them the courtesy of a regular invitation prior to the issuance of a subpoena.

Now I feel very strongly that at our next hearing—and, as I indicated, I am going to move that it be at least two weeks from today in order to give everyone sufficient time to return—that everyone whom we invited to appear ought to be here. If a subpoena, Madam President and fellow members, is what is necessary, then I would be willing to modify my motion in that way.

I had hoped to give some people who are out of the city and unable to respond, the courtesy, at least, to respond to a direct invitation.

I feel very strongly that those people who we asked to be here ought to be here at our next meeting. If a blanket subpoena, Madam President and fellow members, is necessary, then I would be pleased to modify my motion to that extent. If some specific subpoena for specific individuals is necessary, then perhaps we ought to decide exactly who those people are.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS: There is no question in my mind that we cannot authorize the president of the Board to make a decision to issue subpoenas. I think the rules are very clear. But we have to decide whether we issue subpoenas or not.

Now I have been opposed to subpoenaing witnesses, but I find that Mr. Alioto is just playing games with this Board. I don't think he is as important as he thinks he is. I don't want to subpoena anybody but, by the same token, we have had meeting after meeting after meeting, and I think I am kind of important, too. I am not going to meet here every weekend and get some message from Mr. Alioto or anybody else that, "I am too busy for you Supervisors." I think this Board has to make a decision tonight. We have to decide who has a reasonable reason for not being here and who has not.

As far as I am concerned, Mr. Alioto and Mr. Follis, who wouldn't return our calls, should be subpoenaed.

When an effort is made to invite these people in an informal, nice way, and the gentleman says, "I decline to appear," then I think that person and anybody else who wants to ignore the dignity of this Board and to demean us, ought to be subpoenaed.

PRESIDENT FEINSTEIN: May I give you my reason for just suggesting that it be done by supoena?

The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: If I might respond to Supervisor Francois.

Supervisor Francois, I agree. The only thing I have in mind is I thought I heard in the Clerk's recounting of these people, that some people could not be here.

For example, if we call Mr. Follis on Friday—today is Monday and that is a holiday weekend, for some—I am just not sure we are giving him a full opportunity. If we have invited someone a week prior and we haven't heard from them, then I would definitely agree that maybe the best course, as you suggest, would be to specifically go through each one, decide who ought to receive a subpoena and who ought not.

It seems to me, Madam President, that we ought not subpoena just crack out of the box because a lot of people responded to our invitation.

PRESIDENT FEINSTEIN: May I respond in this way: There are many of these people who are busy men and, two weeks from tonight when we set our hearings, they once again could be out of the country and out of the city. This has happened several times. I have no doubt but that they are sincere in where they are going. On the other hand, they obviously think the trip is more important.

My feeling is that without the weight of the subpoena, this situation is going to go on and on and on.

The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: Madam President, did my motion not give you enough authority to issue a subpoena, in your opinion?

PRESIDENT FEINSTEIN: You said to leave it to the chair when I felt it was necessary. Supervisor Molinari indicates that I might come back and say, "Well, they all, in good faith, were not able to be here because they are in China," which is quite correct.

SUPERVISOR MENDELSOHN: Would you be more comfortable with a motion to subpoena from here on out?

PRESIDENT FEINSTEIN: Absolutely, for everybody.

SUPERVISOR MENDELSOHN: So moved.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Kopp.

SUPERVISOR KOPP: Supervisor Mendelsohn, I would ask you to yield for the purpose of revising your motion, and I would ask that Supervisor Francois withdraw his motion and substitute a motion to include the following as a part of a motion directing the issuance of the subpoena for their attendance at a meeting to be held two weeks from tonight.

That would be Mr. George G. Melch, an officer of the Pacific Far East Lines; Mr. Henry Kosłowski, an officer of the American President Line; Mr. Harry Freeman, who is an employee of the Port; Mr. Spencer Gilman, who is a former Director of the Port; and you may wish to add Mr. John Alioto's name to that.

You may wish to add others.

Before I articulate a motion, perhaps we should have a motion, and let's do it definitively, because I am concerned about the legal effect of a motion.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Mendelsohn.

SUPERVISOR MENDELSOHN: Let's find out about that. I have no knowledge of several of the people that you mentioned, Supervisor. I am sure their testimony would be worthwhile.

I have no reason not to issue a subpoena nor to issue one. I wonder if we could simply pass and find out from the clerk with regard to the legal effect of this.

Mr. Clerk, if we were to simply fashion a motion residing in the chair the power to invite by subpoena from here on out so that we might be assured that it is physically possible, that people will be here, will that be legally permissible?

THE CLERK: I don't believe so, sir. The subpoena power resides in the Board as an entity, and the Board must specify, I believe, the persons to be subpoenaed.

Rule 14 of the Board reinforces that belief, I believe, because it says that the President is authorized to authenticate by his or her signature, when necessary or required by law, all subpoenas issued or authorized by order of the Board. I believe that goes to the individuals rather than to a blanket authorization.

SUPERVISOR MENDELSOHN: So you are saying, Mr. Clerk, that if we want to make sure that particular people are invited, we need to be specific.

If we decided that everyone who is invited from here on out will be invited by subpoena, as the president has suggested, then

if we were to simply specify individuals, it would automatically be that they would be invited by subpoena?

THE CLERK: Certainly.

SUPERVISOR MENDELSOHN: Then I would make this motion, that from here on out, Madam President, everyone whom we invite to participate in these Committee of The Whole hearings, be invited by subpoena and that any member of the Board who wishes to suggest people who should be invited to participate, should be commanded by subpoena.

That would be my motion.

PRESIDENT FEINSTEIN: Is that to be seconded by Supervisor Kopp?

SUPERVISOR KOPP: I will second that with the caveat that we get the opinion of Mr. Kenealey, here, in the legitimacy of that motion.

PRESIDENT FEINSTEIN: Mr. Kenealey?

MR. KENEALEY: Madam President and members of the Board of Supervisors, it does say that a subpoena shall be issued only upon a motion duly seconded and an affirmative vote of the majority of the members present.

I believe that what we are trying to accomplish here is to make sure that these subpoenas are specifically issued so that there can be no question raised by the Port if someone fails to appear.

I believe that the authority given to the President must be specific and carefully worded, and I believe such a motion could carry that authority.

There is one caveat I wish to make, and that is as to what type of subpoena you want. Do you want them to produce papers, documents? Because, if you do, then that would be a different kind of subpoena.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Kopp.

SUPERVISOR KOPP: I would suggest, Supervisor Mendelsohn, that the subpoena authorization refer also to production of all documents which are relevant to this inquiry.

PRESIDENT FEINSTEIN: The Chair recognizes Supervisor Tamaras.

SUPERVISOR TAMARAS: Before I vote this, I would like to ask a question of the attorney for APL, who I understand is in the audience. I would like to ask Mr. Seymour a question, if it would be permissible.

PRESIDENT FEINSTEIN: Mr. Seymour, you were not the first person called to testify, but perhaps you would like to come

forward and take your seat at the center table.

The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS: I would like to know the purpose of this; otherwise, I object.

PRESIDENT FEINSTEIN: What is the purpose?

SUPERVISOR TAMARAS: I want to find out one answer from Mr. Seymour, whether or not APL has concluded an arrangement with the Oakland Port Authority for leaving San Francisco: is this an accomplished fact, whether it is concluded or not?

This is something I would like to know because I read someththing in the newspapers and I would like verification of that.

PRESIDENT FEINSTEIN: This is on the subject of whether the subpoenas should be —

SUPERVISOR TAMARAS: This hinges on whether I will vote for the subpoenas.

SUPERVISOR FRANCOIS: I have no objection.

SUPERVISOR KOPP: I am going to raise a point of order.

PRESIDENT FEINSTEIN: What is your point of order, Supervisor Kopp?

SUPERVISOR KOPP: My point of order is that this is improper with respect to the pending motion.

PRESIDENT FEINSTEIN: I think I can take care of that because I spoke to Mr. Scott and I asked him whether these negotiations were so delicate that he or members of his staff could be here, and he said, "No, they are not that delicate; of course we can."

SUPERVISOR TAMARAS: That answers my question because I didn't want to do anything that would interfere with these negotiations because I know they are delicate, they are extremely important to San Francisco, and I would like to have just one question answered by Mr. Seymour, if I might, as to whether those negotiations have been completed, whether it is a fact accomplished or whether there is some area of negotiation still remaining to us.

PRESIDENT FEINSTEIN: Mr. Seymour?

MR.SEYMOUR: We have concluded what we call an interim agreement which has been filed with the Maritime Commission and executed by the Port of Oakland and APL. This does not embody all the terms of the ultimate agreement that we expect to execute for the entire term of 27 years we expect to be over there.

We have executed an interim agreement which will allow us to move over to Oakland at the end of November.

SUPERVISOR TAMARAS: Have you made a decision to move?

MR. SEYMOUR: It will be approved by that time.

SUPERVISOR TAMARAS: You are awaiting approval of the Federal Maritime —

MR. SEYMOUR: That is correct; we expect to execute shortly the final agreement which will combine all the points and conditions of the occupancy.

SUPERVISOR TAMARAS: But has this been concluded?

MR. SEYMOUR: The initial agreement has; the final agreement has not been concluded.

SUPERVISOR TAMARAS: Thank you.

PRESIDENT FEINSTEIN: Call the roll.

The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS: If I understand the motion, it is to provide that all persons who subsequently may be required to testify will be commanded to appear by subpoena. Supervisor Kopp has indicated that this will also require them to bring all pertinent documents.

Frankly, this bothers me because I don't think we can require the production of documents in such general terms, and I just wonder whether we ought not give that a little thought.

Let me suggest a rewording of your motion to say all documents which are specifically requested. Then, if any Supervisor has a witness he wants to request to attend and bring documents, that witness would be required to bring specific documents.

I don't want to be subject to attack in the Courts. This is my problem.

So I would like to have the understanding that the motion is that from here on, with the exception of those witnesses who are here tonight who have responded, and any subsequent witnesses who are requested to appear by any member of this Board and who is subpoenaed to appear will be required to bring such documents as any member of this Board may specify they should bring. I think that will solve the problem, which has now become, as I see it, a real problem. That problem is that we are being taken as a joke, and by certain people in particular. And I think we had better let them know we are serious about this. Otherwise, we shouldn't go into it at all.

So I want to support the motion, but I think it ought to be restated so that it will stand up.

PRESIDENT FEINSTEIN: Do you have an objection to its restatement?

SUPERVISOR MENDELSOHN: I don't as long as those subpoenas are issued through the Chair, Madam President.

Supervisor Kopp may have some other language.

PRESIDENT FEINSTEIN: Do you have any other language?

SUPERVISOR KOPP: I was going to ask if I might rephrase the motion tendered by Supervisor Mendelsohn.

PRESIDENT FEINSTEIN: Supervisor Francois and Supervisor Mendelsohn's points are well taken. Otherwise, the subpoenas will be subject to attack.

SUPERVISOR KOPP: I am going to make this motion, assuming the motion is withdrawn, that the President be directed to issue a subpoena to George G. Melch, an officer of Pacific Far East Lines, commanding him to appear here two weeks from tonight at 9:00 p.m. and to bring with him all documents pertaining to negotiations between Pacific Far East Lines and the American President Lines concerning the San Francisco Port with respect to the leasing of space to Pacific Far East Lines during the period October 1, 1970, through to the present, and all books, papers, documents, memoranda relating to the participation by Joseph L. Alioto, John Alioto, Veronese Alioto, Frank Alioto in the operation of Pacific Far East Lines from April 1, 1974, to the present.

Secondly, that a subpoena duces tecum be issued to Henry Kozlowski, an officer of American President Lines, commanding him to appear at the same time and place and bring with him all documents pertaining to negotations by and between American President Lines and the San Francisco Port for occupancy of space at the San Francisco Port by American President Lines from a period of October 1, 1973, to the present, and all books, papers, documents, and memoranda respecting discussions, communications between officers, employees, and representatives of American President Lines and representatives of San Francisco Port and representatives of the Pacific Far East Lines during the period October 1, 1973, to the present.

Thirdly, that a subpoena duces tecum be issued to Mr. Harry Freeman commanding him to appear at the same time and place and bring with him all documents relating to the occupancy and the tenancy of Mr. George Burger of car wash premises on lands occupied or owned by the San Francisco Port.

And, four, that a subpoena duces tecum be issued to Spencer Gilman, former Director of Development, San Francisco Port, commanding him to appear at the same time and place, and to bring with him all documents referred to in the subpoena duces tecum to be issued to Mr. Harry Freeman and including, but not limited to, the official file of the San Francisco Port respecting the leasing of said car wash premises.

PRESIDENT FEINSTEIN: Supervisor Kopp, would you

mind adding to that Messrs. Scott, Follis, Herrmann, Alioto, and Schrier?

SUPERVISOR KOPP: I will add those names but, frankly, I don't think Mr. Follis is going to be contributing anything I haven't already seen in his Committee's record.

I would add the name of John Alioto, asking him to appear at the same time and place, and to bring with him all books, papers, documents, memoranda, agreements pertaining to negotiation by and between the San Francisco Port and Pacific Far East Lines from April 1, 1974, to the present, and all memoranda of Pacific Far East Lines respecting discussions, communications, or meetings concerning the occupancy by Pacific Far East Lines for the period 1974 to 1986, and all books, papers, documents, and memoranda relating to proposed agreements or agreements by and between Pacific Far East Lines and American President Lines, and a subpoena duces tecum to Mr. R. Gwin Follis, Mr. Norman Scott, and Mr. Cyril Herrmann, and to Mr. Elliot Schrier, a subpoena duces tecum commanding him to appear at the said time and place and bring with him all books, papers, documents, memoranda, studies, reports concerning the San Francisco Port which he has prepared or which he has under his dominion and control.

PRESIDENT FEINSTEIN: Is there a second to the motion?

SUPERVISOR MENDELSOHN: Point of order, Madam President.

I believe Supervisor Kopp offered that as a body of amendments to my motion. I would accept those, Madam President, with this point, that the basic motion is the Chair be empowered to issue subpoenas to everyone whom we are inviting to participate in the proceedings of the Committee of The Whole, bringing with them specified materials. Supervisor Kopp has added to that certain specific individuals and certain specific materials. I don't want that, however, to be the universe here. That is to say, once this motion is adopted, then other members of this Committee make specific recommendations to the Chair and the Board may then invite specific people with specific materials. This is the first group of people.

On that basis, I would make that motion.

SUPERVISOR KOPP: Before you do that, let me add one other person that should be subpoenaed, and that is Mr. Barney Norwitt, 5 St. Luca Place, Tiburon, commanding his appearance at the said time and place, and to bring with him all correspondence, books, papers, documents, and memoranda which he has in his possession or under his dominion or control respecting efforts to lease or otherwise occupy what is known as Seawall No. 314, which is the location of the Car Wash Premises referred to in the subpoena to Mr. Freeman and Mr. Gilman.

SUPERVISOR MENDELSOHN: Madam President, that mo-

tion is for Tuesday, November 12. It is not for two weeks from tonight. I think that Monday, November 11, is a City holiday.

It should be for Tuesday, November 12, at 8:00 o'clock p.m.

SUPERVISOR KOPP: That is correct.

PRESIDENT FEINSTEIN: Thank you.

On the motion, may we call the roll?

The Chair recognizes Supervisor Francois.

SUPERVISOR FRANCOIS. Yes. May I say that, Supervisor, and I am going to be very brief, but I want to say this because I think it needs to be said.

I have consistently opposed the issuing of subpoenas in this matter until tonight because I did not feel it was necessary to issue subpoenas to men and women of this stature. But I am beginning to feel that the prestige, the honor, the dignity of this Board is being placed in serious jeopardy. I am amazed. I am absolutely amazed at the results we have not received from trying to be respectful to the distinguished people involved in all of this.

I think the point has come now when we have to exercise the powers that the law gives us to compel attendance. I think the people of San Francisco want to know what happened down there at the Port, and this is what we have been trying to find out. But when we get, week after week, "I am too busy; I am out of town," it is ridiculous, and I am sorry we have come to this point. But now I think we have to take a tough line.We want them here, and we are going to subpoena them and they had better be here.

I would urge every member of this Board to stand up for the prestige and dignity of this Board because I think the people of San Francisco expect, as their elected representatives, to at least be shown some respect.

PRESIDENT FEINSTEIN: Could we call the roll?

The Chair recognizes Supervisor Nelder.

SUPERVISOR NELDER: Madam Chairman and fellow supervisors, I guess it is just human not to be able to resist saying, "I told you so." If you will recall, when we first discussed having these hearings, I said that we should have these hearings under the authority of a subpoena.

We have been sitting here waiting, and it is now five minutes after 10:00 and we haven't heard one line of testimony. I think this could have been resolved and we could have waded in.

The only point I am making is that when we have a hearing like this, I suggest that we use subpoenas in the interest of time, effort, and efficiency.

PRESIDENT FEINSTEIN: Thank you.

We will call the roll on the motion, please.

THE CLERK: Supervisor Feinstein?

No objection and motion carried.

Presentation by Mayor

President Feinstein introduced his Honor, Mayor Joseph L. Alioto, who wished to make some comments on the energy crisis.

The Mayor spoke of his recent trip to Washington, D.C. and his efforts to interest various high level officials in the Federal Government, to adopt a policy urging the use of public transportation one day a week instead of using private automobiles. Such participation by the public would greatly decrease the use of gasoline. Further, he stated that the initiation of staggered working hours and the inviting of private and other public employers to cooperate with the City and County in extending such staggered working hour plan to the downtown area would also greatly help the decrease of the use of gasoline.

Further, the Mayor stated that upon the completion of his remarks, Supervisor John J. Barbagelata would introduce a resolution for immediate adoption on this subject.

Suspension of the Rules

There being no objection, on motion by Supervisor Barbagelata, seconded by Supervisor Molinari, the rules were suspended to proceed to roll call for introduction of the following measures:

Resolution adopting as official policy of the City and County of San Francisco the "Once a Week to WIN" plan, including the determination to work toward a staggered and flexible working hours program.

Supervisor Barbagelata presented:

File 566-74, Resolution No. 869-74.

Supervisor Barbagelata, seconded by Supervisor Kopp, moved adoption.

Adopted by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—11.

Referred to Committee

Resolution endorsing the concept of staggered working hours and inviting private and other public employers to cooperate with the City and County of San Francisco in extending staggered working hours to the downtown core.

Supervisor Barbagelata presented:

File 203-72, Resolution No.

Referred to Fire, Safety and Police Committee.

Presentation by Mayor

There being no objection, the Mayor was again granted the privilege of the floor so as to speak on another subject.

Ordinance amending the Police Code by adding Section 666 thereto, to provide that gasoline stations be required to post the pump prices of motor vehicle fuels. (Supervisors Mendelsohn, Kopp)

The Mayor stated that he vetoed this ordinance and was speaking to urge the Board member not to override the veto. He stated that this ordinance would hurt the independent gasoline dealers by helping their gas suppliers police their prices. The law would inadvertently help the big oil companies in their efforts to drive the independent dealers out of business. Further, he said that independent dealers have complained that they were forced to buy gas from the big oil companies at fixed prices and to post the prices required by the suppliers.

The Mayor thanked the Board for its kindness in allowing him to speak on these two different subjects.

Veto Overriden

Ordinance amending the Police Code by adding Section 666 thereto, to provide that gasoline stations be required to post the pump prices of motor vehicle fuels. (Supervisors Mendelsohn, Kopp)

File 415-74, Ordinance No. 503-74.

Veto overriden by the following vote:

Ayes: Supervisors Feinstein, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—10.

Motion to Appoint Select Committee

Following conclusion of the testimony of the last witness, the following excerpted from the official reporter's transcript, commencing at page 229, was recorded:

SUPERVISOR FEINSTEIN: Mr. Chairman, I would like to, on behalf of the Committee of the Whole, make a motion that because of the very nature of the Committee of the Whole and the necessity to bring 11 members of the Board together, in the past, this has been done following lengthy Board meetings, and, in my belief, and the belief of others on this Board that furture in-

quiries could be more expeditiously handled by a Select Committee, I would like to move that such a committee be constituted to be comprised of the State and National Affairs Committee, Supervisor Barbagelata as chairman, and with three other members that have volunteered earlier tonight, indicating their desire to participate. I guess there is one additional member, so it would be a seven member committee, Supervisor Mendelsohn, Supervisor Molinari, Supervisor Gonzales, and the President; that the Committee shall have delegated to it the authority to issue subpoenas by vote of the Committee, and the services of a court reporter, said Committee to function as long as necessary to (1) complete the inquiry by holding public hearings, (2) by receiving, reviewing, and evaluating documents that may be received by said Committee, and (3) to prepare legislative recommendations for action by the Board of Supervisors.

I would make the motion for adoption by the Committee of the Whole at this time.

CHAIRMAN KOPP: Motion made and seconded by Supervisor Gonzales.

Any discussion on the motion?

Mr. Clerk, would you call the roll on this of the Committee of the Whole?

Motion to Rise and Report

Adopted

THE CLERK: It was my thought, Mr. Chairman and members of the Board, that the appropriate way to handle this matter will be for the motion to be made that the Committee of the Whole rise and report with a recommendation that this motion be adopted, that thereafter the Board, as a Board, would adopt such a motion directly, that the State and National Affairs Committee and the other four members mentioned proceed with the investigation, and that the Board, as a Board, delegate to the Committee the subpoena power.

CHAIRMAN KOPP: Supervisor, your motion is withdrawn. Do you wish to move in the fashion set forth by the Clerk?

SUPERVISOR FEINSTEIN: That is correct, but I would like the motion to reflect I indicated it be part of —

CHAIRMAN KOPP: As part of the record of the Committee of the Whole?

SUPERVISOR FEINSTEIN: That is right.

CHAIRMAN KOPP: To be delivered to the full Board of Supervisors and then be part of the motion you will make at that time, seconded by Supervisor Gonzales.

Is there a need to call the roll, Mr. Clerk?

THE CLERK: No, there is none. Without objection, the motion can be adopted.

CHAIRMAN KOPP: Then that will be the motion, and it is adopted by the Committee of the Whole.

Reconvening of the Board

Thereupon the members were constituted as a Board of Supervisors.

Motion Adopted

CHAIRMAN KOPP: Is there any further business to come before the Board?

THE CLERK: I beg your pardon, Mr. Chairman, that was a motion to rise and report.

SUPERVISOR GONZALES: And, thereafter, it is the Board's decision.

THE CLERK: Thereafter, the motion which has been proposed by Supervisor Feinstein can be considered by the Board.

CHAIRMAN KOPP: You have now risen and reported. Supervisor Feinstein, do you wish to make the motion which you made earlier, seconded by Supervisor Gonzales?

SUPERVISOR FEINSTEIN: Yes.

CHAIRMAN KOPP: Mr. Clerk, will you call the roll?

SUPERVISOR GONZALES: There is no objection.

THE CLERK: Do you want to call the roll, Mr. Chairman?

CHAIRMAN KOPP: Call the roll.

(The roll was called)

THE CLERK: There are eight ayes.

Ayes: Supervisors Barbagelata, Feinstein, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, von Beroldingen—8.

Absent: Supervisors Francois, Pelosi, Tamaras—3.

ADJOURNMENT

There being no further business, the Board at the hour of 2:50 a.m. adjourned.
